Dear Chika,

Greetings, hope you're doing well. I'm pleased to give you all the latest developments here at The Chesler Group since our last newsletter.

ASM HQ Makes Media Waves

We'd like to send a special "thank you" to the more than 250 people who attended the ASM event on August 6.

The evening celebration of the [Materials Mastery: Renaissance of Materials Park](#) proved an ideal tribute to the sweat, toil, innovation and craftsmanship that went into restoring the majestic Mid-Century Modern complex to its original splendor.

We're also very grateful for the many media mentions we received before, during and after the event:

- [News Herald Article of July 30th](#)
- [WKYC TV's live remote broadcast Friday, August 5th](#)
- [Cover Story in the August Issue of Properties Magazine](#)
- [Cover story in the August Issue of the Novogradac Journal of Tax Credits](#)
- [The Cleveland Plain Dealer Feature Story on August 21st](#)
- [Recent Article from Inside Business Magazine](#)

We join with all aficionados of historic structures in the hope that greater awareness of restoration projects like ASM will lead to more appreciation of our architectural heritage and further enlightened efforts toward its preservation.

Warren Ohio Press on the Market Block

Our latest project here in Ohio - [the complete restoration of the Market Block Building in Warren, Ohio for the Raymond John Wean Foundation](#) - got some well-deserved media attention as well.

- [WKBN TV ran a nice segment on July 25th](#)
- The Warren Tribune Chronicle wrote stories about the project on [July 26th](#) and a follow-up on [July 27th](#).
- [The Youngstown Business Journal also ran an article on July 26th.](#)

Once completed, the Market Block Building will do a lot to revitalize the City of Warren-the building will provide the community a space with a 120 seat meeting room, and incubator office space for non-profit programs in the Warren area. We are honored to be part of the effort.
